KARLAYURA GENERAL CRANES

CAPABILITY STATEMENT 2025

A LEADING FORCE IN THE DELIVERY OF SERVICE EXCELLENCE, BACKED BY MODERN FLEETS AND INDUSTRY LEADING LIFTING SOLUTIONS

COMPANY PROFILE

LEADERS IN CRANE LIFTING, RIGGING & TRANSPORT SERVICES IN AUSTRALIA

Karlayura General Cranes (KGC) is an Indigenous Western Australian owned and operated crane company, committed to providing quality crane, lifting, rigging and transport services. As a partnership between Karlayura and General Crane Services, **KGC** is represented by Brian Tucker, a highly respected traditional owner on Banjima and Nyiyaparli country.

With a long combined history of experience in the mobile crane industry, our team has extensive knowledge across a broad range of lifting services, specialising in the mining, minerals, construction and industrial sectors.

Our business takes pride in its ability to provide comprehensive and highly skilled services, offering exceptional levels of reliability, flexibility and quality of service.

Our operators have strong technical capabilities, and focus on both safety and efficiency with an excellent track record for meeting the challenges of every task.

We are dedicated to not only meet but exceed the expectations of our Clients. Our philosophy is to deliver timely, reliable, cost effective customer service on every project, large or small.

TO DEVELOP AN EFFICIENCY DRIVEN CULTURE THROUGH DEMONSTRATING INTEGRITY AND HIGH ETHICAL STANDARDS

OUR MISSION, VISION & VALUES

OUR MISSION

To develop an efficiency driven culture through demonstrating integrity and high ethical standards across all aspects of mobile lifting & rigging solutions.

OUR VISION

To be the first-choice crane company in WA by delivering the highest level of service both safely and efficiently.

- Best in every aspect of the business
- Reputable
- Heavily focused on customers
- Safety & environmentally focused
- Reliable.

OUR VALUES

- An unwavering commitment to customer service
- Building and maintaining trust in our relationships to ultimately assist with increasing their business potential
- To provide effective management and superior services both onsite and in our administration
- To retain high quality staff by providing a safe, healthy and caring environment for our employees; and maintaining a high calibre of staff by pursuing ongoing professional development and training
- Dedication to providing value for money by regularly revisiting internal processes to ensure the highest level of productivity
- Demonstrating integrity and high ethical standards across all company practises
- Providing safe and efficient crane hire solutions, and driving tangible support to Aboriginal people, communities, culture and environment
- Respect for culture, to ourselves and each other. It is our diversity which makes us strong.

GENERAL
KGC

SERVICES

PROVIDE EXCELLENCE IN CULTURAL AWARENESS AND QUALITY SERVICE

KGC offers high-quality, on time service striving to exceed customer expectations for all projects and shutdowns.

Our service delivery partner is proud of being safety, environment and quality management system certified by JAS-ANZ with a dedicated workforce in sharing the same values and customer focus as the Directors of the company.

Whether wet or dry hire, we are known to have the newest and latest fleet with low component hours. All cranes and equipment is maintained to a very high standard.

Our Heritage and Cultural Awareness division has been developed to upload the vision of the business to preserve Aboriginal culture and lands.

Managed by Brian Tucker, this service provides guidance and advice to the mining sector on what is appropriate for their operations and for the potential expansion and maintenance of their sites.

KGC can also provide cultural awareness training to our people, our clients and the general public. Brian participates in traditional cultural ceremonies each year that are important to the preservation of songs, dance, knowledge and traditions for future generations.

OUR SERVICES INCLUDE:

- Heritage and Cultural Awareness Training
- Wet and Dry Mobile Crane Hire
- Riggers/Dogman & Labour/Operator Hire
- Access Equipment, Forklifts & Telehandlers
- Ancillary Equipment for Hire
- Precast Panel Erection
- Site Inspection, Quotes and Professional Advice
- Supervision and Lift Studies
- Shutdown Works
- Transport/Heavy Haulage
- Traffic Management
- CAD Planning

COMMITMENT TO EMPOWERING INDIGENOUS COMMUNITIES BY CREATING JOBS, FOSTERING SKILL DEVELOPMENT AND CAREER PATHWAYS WHILST ENHANCING THE OVERALL QUALITY OF LIFE IN THE REGIONS WE WORK

PROJECTS & THE TEAM

BROAD RANGE OF CAPABILITIES. 24/7 RESPONSIVENESS

KGC is engaged in multiple projects through the regions of Western Australia.

The primary function is to supply complete, fully maintained mobile fleets engaged in all activities. The projects are supported by 24 hour maintenance teams including management, trades personnel and support staff.

AN EXPERIENCED AND RESPONSIVE TEAM

With 24/7 contact availability, the **KGC** team can respond quickly to client needs.

Our team have deep and extensive knowledge across a broad range of projects large and small, with years of experience across the industry.

We pride ourselves in providing services and customer support to the highest standards safely, whilst offering cost effective crane hire and related services.

KGC
OVERSIZE

HEALTH, SAFETY, ENVIRONMENT & QUALITY

BEYOND COMPLIANCE

KGC is committed to the health and safety of all our people and to the protections of the environment in which we operate. We have set objectives and targets for our people, the environment and the community and work towards the achievement of this through education, training and support of management and supervisors.

OCCUPATIONAL HEALTH & SAFETY

It is our intention to establish high levels of Health and Safety standards throughout our organisation. This commitment ensure **KGC** is able to meet the challenge of the changing environment and the demands of industry, which is intent on improved safety practices, productivity and competitiveness.

KGC management team is actively involved in the management and planning of Health and Safety. We encourage our employees to be active in observing and recommending changes in the workplace to reduce exposure to any risks and hazards.

ENVIRONMENTAL

KGC is committed to the adoption and maintenance of environmental management and operating practices, which ensures the continual improvement of environmental performances. We regard the protection of the environment to be an important aspect of our operations and a necessary element of good corporate citizenship.

Our Environmental Management System operates in tandem with our Quality Management System to recognise and control the environmental impact of all organisational activities.

QUALITY MANAGEMENT

KGC enables the achievement of its purpose and mission by utilising an integrated management system. This system integrates all components of the business and incorporates formalised systems focusing on quality, health, safety and environment. We believe that people are one of our most valuable assets. Our people – through their quality of service and skills – and with the proper use of our systems and procedures, endeavour to meet the needs and requirements of all clients.

GENERAL

SUSTAINABILITY COMMITMENT

SUPPORTING ABORIGINAL CULTURE, COMMUNITY WELLBEING, AND SUSTAINABILITY

KGC is intergrated with and closely supports the Brian Tucker Foundation, which has been developed to advance; Aboriginal Culture, Cultural Knowledge and Aboriginal Peoples communities and wellbeing.

Objectives of the Foundation include to:

- Advance Aboriginal Australian culture
- Advance the natural environment and protect culturally significant areas
- Preserve and develop intergenerational transfer of cultural knowledge
- Establish strategic partnerships to support land, air, water, First Nations People and communities.

As an Indigenous Western Australian business, **KGC** engage with the local communities, traditional owner groups and Aboriginal businesses wherever possible.

Maintaining high health and safety standards and performance is a non-negotiable at **KGC**. There is no task that is so important that it can't be done safely.

In addition to our experienced leadership team, **KGC** engage HSE specialists and on site HSE advisors to ensure that processes, systems and work methods are conducted in line with best practice, client standards and legislative requirements.

OUR COMMITMENT TO SUSTAINABILITY INCLUDES:

- Compliance with all environmental regulations and standards
- Ensuring the safety and wellbeing of our employees, subcontractors, and stakeholders
- Supporting the Brian Tucker Foundation and local communities through engagement and employment opportunities
- Minimizing our carbon footprint through the use of sustainable practices and materials Implementing sustainable waste management practices.
